

Public Policy & Advocacy

We advise our clients to defend their interests in the Executive, Legislative and Judicial spheres and in the dispute resolutions in superior courts

Our services cover

- Legal advice for civil society organizations (institutes and foundations) related to technology and data protection
- Promoting our clients' interests with legislative and regulatory policymakers, especially with regard to public consultations, creation of laws and execution public policies
- Defending national and multinational clients in all stages of government and congressional investigations
- Advocacy for start-ups and technology companies, including associations
- Advocacy for issues related to technology, artificial intelligence, social media, Intellectual Property and Data Protection

Our recognitions

Análise Advocacia (2021)

Chambers & Partners Brazil (2021 & 2022)

Leaders League (2021, 2022 & 2023)

Transactional Track Record (2021 & 2022)
