
Our values, partners and services

CAMPOS THOMAZ & MEIRELLES ADVOGADOS

Brazilian law firm

WE WERE BORN WITH TECHNOLOGY IN OUR ESSENCE

Campos Thomaz & Meirelles Advogados is a comprehensive technology-driven law firm.

We anticipate trends, create paths, see the present moment with the depth of those already making the future.

WE ARE THE BRIDGE BETWEEN TWO WORLDS

We **achieve balance by connecting professionals and individuals with technology and innovation** through lighter and less complicated relationships.

ABOUT US

Campos Thomaz & Meirelles Advogados

Campos Thomaz & Meirelles Advogados is a law firm focused on the technology industry, with comprehensive operations in various sectors and areas of law and providing tier-one legal services to national and international clients.

In our first year of existence, we expanded our service capacity with new legal practices and by consolidating existing areas. Our mission is to assist clients in strategic business decisions and comply with applicable legislation from a business perspective in an assertive, agile, and straightforward manner.

All of this is only possible thanks to our professional management, a high degree of freedom to innovate, and a competent, committed, valued, and present team, who are always willing to develop further.

* Awards and recognitions

Founded in the late 2020, we are already listed in leading national and international legal rankings.

Análise Advocacia (2021)

Chambers & Partners Brazil (2021 & 2022)

Leaders League (2021, 2022 & 2023)

Transactional Track Record (2021 & 2022)

The Legal 500 (2022)

Our way of being

We are a team of innovative and respectful people.

Our way of doing things

We seek to offer a **positive experience** for our clients, to be a **reference** and work with **efficiency**.

Our way of leading

We seek to **set an example, acting as a reference to people, building an environment** of harmony and lasting, trustworthy, respectful, and transparent relationships.

ALAN CAMPOS ELIAS THOMAZ

PROFESSIONAL EXPERIENCE

Lawyer specialized in law and technology, internet law, privacy, intellectual property, media and entertainment, gaming, and fintech. He advises national and international high-profile clients in regulatory, transactional, and litigation matters. Alan's highlights include the representation of international companies in the supreme court and superior electoral courts, internet and intellectual property litigation, and cross-border regulatory and transactional matters. Alan also assisted social media and internet companies in the past decade with regulatory matters, particularly product liability, data protection, law enforcement, misinformation, and content moderation issues.

In addition to working as a lawyer, he has an extensive academic background and master's degrees in law & technology in Brazil (FGV), Europe (Tilburg), and the United States (Stanford).

EDUCATION

- Bachelor (JD Equivalent) in Law at Universidade Presbiteriana Mackenzie
- PGDip in intellectual property and new technologies at Faculdade Getúlio Vargas (FGV)
- Master's in business law at Faculdade Getúlio Vargas (FGV)
- Master (LLM) in Law and Technology at Tilburg University
- Master (LLM) in Law, Science, and Technology at Stanford Law School

OUR PARTNERSHIPS

In 2021, Campos Thomaz & Meirelles Advogados retained Borea Consultoria, including Mario Esequiel and Carlos Lacaz, former consultants of Mattos Filho Advogados for more than 15 years, to assist in designing the firm's positioning and growth plan for the period of 2021-2025.

GOVERNANCE AND COMPENSATION MODEL OF PARTNERS

After structuring the firm's governance with one of the best consulting firms in the market, we adopted a collaborative management and governance model among partners, similar to those used in tier-one offices in the United States and Europe.

This model favors joint and multidisciplinary actions of professionals from different teams within the firm.

Each client or matter is allocated a team of experts on the specific area. Our service is specialized and customized, considering the challenges presented.

PEOPLE

Motivation, partnership, and teamwork.

Our evolution results from the joint efforts of our legal and administrative teams.

INDIVIDUAL DEVELOPMENT

* Individual Development Plan and Ongoing Feedbacks

Our professionals develop an individual career development plan, which includes personal and institutional development activities and ongoing feedback.

* Home Office

The home office approach is in our DNA because of the changes brought by the new organizational culture, optimizing productivity, and valuing our employees' work-life balance.

* Mental Health Concerns

We adopt initiatives to preserve the mental health of our employees. We care for personal and corporate well-being.

* Academic Development

We support long-term academic development to develop and train our employees.

* **Flexible Benefits**

We seek to understand the needs of our employees. We offer flexible benefits so our employees can choose how to use them.

* **Career plan**

All professionals follow a career plan. Our professionals go through an annual assessment and have the chance to rise in the ranks every year.

* **Compatible and fair remuneration**

We offer fair compensation, consistent with tier-one firms in the country.

#CONNECT **Social Responsibility**

DIVERSITY

We understand that diversity is an essential pillar of our organization and culture. Campos Thomaz & Meirelles Advogados is a new firm in the market, with solid foundations and growing. We are committed to **plurality, equality of race, gender, sexual orientation, and the inclusion of people with disabilities**. Our team consists of 60% women and 15% LGBT+.

PRO BONO

Campos Thomaz & Meirelles is committed to Pro Bono activities. Our main activities are free mentoring to startup hubs throughout Brazil, educational activities for children and teenagers, and educational activities relating to digital citizenship and data protection.

#SOS PLANET

We are aware that the planet's future is in our hands, so we are committed to finding ways to optimize our activities and reduce the amount of waste in our work environment.

TECHNOLOGY AND INNOVATION

* **Information Technology**

Our office was born online, and we can serve our clients without interruption.

* **We invest in cutting-edge Information Technology systems**

Our entire infrastructure is 100% cloud-based, with systems integration, allowing our professionals to work from anywhere with high availability and always connected.

COMMUNICATION

* Marketing Pillars

We interact in a way that matters, bringing exclusive content created by our teams with clear, assertive, and simple language.

* Associations

We are members of leading institutions and associations in the technology sector, including:

IAPP // ABPI // I2AI // IBA // INTA // ItechLaw
